

Hurricane Irma HMGP Funding Update

- **Intent to Apply Submittal Extension**
 - Four new submittals: Dunedin (2), South Pasadena, The Arc of Tampa Bay
- **Scoring Committee Convened on 4/11/18**
 - Main goal was to bring consistency. Recommended revisions focused on: Scope of Benefits, Benefit to Cost Ratio, Affordability, Financing Availability, Repetitive Damages Corrected
- Three final ranking methodologies for consideration: Scoring-based, Equity-based, Scoring-Equity Hybrid

Scoring-Equity Hybrid Methodology

- Intended to honor scoring system, while also allowing for a more equitable distribution
- Each applicants' top scoring projects were funded until their population-based allocation amount was met
- This leads each applicant having a partially funded project (exceptions are The Arc of Tampa Bay, Pinellas Suncoast Fire & Rescue District and South Pasadena)
- The “balance” (amount available to partially fund applicant's next highest scoring project) is proposed to be reallocated to the next highest scoring partially funded projects (among all applicants)
